Contact Me Page

Desktop size screen

A hand-drawn wireframe for a desktop contact page. The layout is divided into a left sidebar and a main content area. The sidebar contains a navigation menu with five items: Home, About, Education, Project, and Contact, each preceded by a square icon. The main content area features a header with three horizontal lines, followed by three icons: a house, a circle, and an envelope. Below these icons are three horizontal lines. Further down are two rounded rectangular input fields, one on the left and one on the right. Below the left input field is a small rectangular button. At the bottom of the main content area is a footer bar containing a series of icons: a magnifying glass, a person, a square, a circle, a circle with a cross, a circle with a dot, and a square.
